*Imagine blending the sounds of Mardi Gras funk, rock, and reggae so seamlessly it defies category. Now distill that idea into an eight piece ensemble, add a hip hop sensibility plus a hundred years of New Orleans tradition, and you'll get the powerful band known as THE SOUL REBELS. This shrewd crew of multi-instrumentalists create a high energy, groove-laden performance engineered to force audiences worldwide to party to their contagious sound. Averaging over 250 shows per year, The Soul Rebels bring the party to stages far and wide, including: South By Southwest, Austin City Limits, WOMAD, Bonnaroo, Electric Forest, Umbria Jazz Fest, Antibes Jazz Festival, Montreal Jazz Festival, the Wane Festival and, of course, NOLA's Jazz and Heritage Festival.*
