

ELVIN BISHOP WITH CHARLIE MUSSELWHITE

Elvin Bishop is on a roll! Besides being inducted into the Rock & Roll Hall of Fame in 2015, he also won a Blues Music Award for Album Of The Year and Band Of The Year, and his classic rock song Fooled Around & Fell In Love appeared in the hit film Guardians Of The Galaxy, as well as the film's platinum selling soundtrack.

Five decades of nonstop touring, performing and recording have reaped huge rewards. Charlie Musselwhite cut his (musical) teeth alongside Muddy Waters, Howling Wolf and everyone on the south side of Chicago in the early 1960's. Thank your lucky stars he is still with us telling the truth with a voice and harp tone like no other.
