

TWISTED PINE

Full of energy and surprise, wit and subtlety, **TWISTED PINE** has quickly become one of the most acclaimed young string bands in the Northeast.

Audiences across the US and UK have been drawn to their forthright songwriting, lush harmonies, musical daring, and “charismatic appeal,” to quote Grammy-winner Alison Brown.

You’ll find Twisted Pine on stages large and small, entertaining festivals of thousands and intimate rooms alike. Winners of the 2014 Freshgrass band competition and finalists at the 2015 Rockygrass contest, Twisted Pine has played major events from Greyfox to Green River to Glasgow’s Celtic Connections and beyond. “Their live show is already legendary for the band’s unbridled spirit and contagious energy,” says Jim Olsen, president of the innovative folk label Signature Sounds (Lake Street Dive, Crooked Still, Joy Kills Sorrow). It’s no wonder the International Bluegrass Music Association nominated Twisted Pine for its 2015 Momentum Award, which recognizes exceptional up-and-coming acts. Check out Twisted Pine on tour and see why Olsen calls it “the most exciting new roots band to emerge from the New England scene in quite some time.”
