**TECHNICAL ADDENDUM**

(Subject to Change)

The attached Technical Addendum and Drawings are made fully a part of this agreement.

-PLEASE COPY AND DISTRIBUTE TO ALL TECHNICAL PERSONNEL-

Local Manager will provide all equipment listed on this technical rider and stage plot. No other instruments other than those provided by/or Artists will be allowed on the stage.

**A. Setup / Rehearsal**

On the first day of the performance (for multi-night engagements), the venue will be made available to Artists for technical setup and rehearsal at least three hours prior to the first performance. Local Manager will provide the house electrician, house sound technicians, house spotlight operators and a minimum of one stagehand/loader/unloader at that time. One loader/unloader will also be made available to Artists during load-out following the performance. The audience will not be permitted into the performance space until setup/rehearsal is completed.

**B. Sound Reinforcement**

A professional sound augmentation system, capable of providing clear, undistorted, evenly distributed sound throughout the audience area; a separate sound system for stage monitoring as per stage plot; microphones as per attached stage plot / input list; professional engineers to operate said systems for the full sound check and performance.

All technical preparations including lighting, sound and staging must be completed prior to the arrival of Artists at the rehearsal / sound-check. Once the Artists have sound-checked, equipment and levels cannot be changed or re-arranged prior to the performance. Artists Representative will work in conjunction with the house sound engineer and stage monitor engineer and have final approval of all sound levels.

**C. Stage Lighting**

Stage lighting updates will be provided 3 weeks prior to performance.

Local Manager to provide general stage lighting with a minimum of 3 color washes, 5 area specials [R68, R62, R339, R22, R09, Clr] and 2 spotlights [R114, L110, R33, R60]. Extra specials and patterns for floor break-up and additional color will be appreciated. Final lighting cues will be provided by Liz Callaway.
