

# Delvon Lamarr Organ Trio - Bio

*Updated, April 2023*

[Delvon Lamarr Organ Trio](#)—or as it is sometimes referred to, **DLO3**—specializes in the lost art of “feel-good music.” The precise sequence of music chosen by Delvon is unique in itself, as he creates an experience for each show based on the vibe and feel of that audience. This includes the 1960s organ jazz stylings of Jimmy Smith and Baby Face Willette, a tweak of the snappy soul strut of Booker T. & The M.G.’s, and The Meters. It teases you with Motown, Stax Records, Blues, and many other styles that may surprise you. It’s a concoction that goes straight to your heart and soul, leaving you emotionally connected on a whole new level.

The band features organist [Delvon Lamarr](#), a self-taught virtuosic musician with perfect pitch who taught himself jazz and has effortlessly been able to play many instruments. The trio is formed by collecting a unique blend of guitarists and drummers worldwide. They leave you with a feeling of wonder caused by seeing something surprisingly beautiful and unforgettable for their fans at every show.

**DLO3** was formed from the ground up by [Delvon’s](#) wife and manager, [Amy Novo](#), together they created feel-good music to heal the world. The trio started from humble beginnings in 2015 and has since released several Billboard charting albums and toured the world to sold-out venues. Today, the power couple has taken the Delvon Lamarr Organ Trio beyond their wildest dreams through her tireless work ethic and his bottomless talent.

The trio started from humble beginnings in 2015, but since then has released several **Billboard charting albums** and toured the world to **sold-out venues**. Not to mention, Congratulations to Delvon Lamarr on being named the [Rising Star Critics Choice for Organist of the Year! Check out the 70th Annual Downbeat Critics Poll.](#)
