

BRANDEE YOUNGER

GRAMMY® NOMINATED BRANDEE YOUNGER TRANSCENDS GENRE AS AN ARTIST, PERFORMER, COMPOSER AND EDUCATOR.

GADABOUT SEASON

The gadabout — a carefree pleasure-seeker who is always in motion, seeking out fun no matter the circumstances. “The album reflects the journey — the search for meaning and beauty amid life’s most complex moments, ultimately emerging with a deeper sense of self,” says Younger. Wielding Alice Coltrane’s harp, Younger produced the first project she has either written or co-written in its entirety.
